

## SIMPLE WESTERN CERTIFIED ANTIBODY DATASHEET

### Target/Antibody

|                        |                                |
|------------------------|--------------------------------|
| Antibody Target/Name   | Amyloid-beta precursor protein |
| Isoform                | Unmodified                     |
| Reactant               | Homo sapiens (Human)           |
| Antibody Type          | Primary                        |
| Host Species/Clonality | Mouse Monoclonal               |
| Clone                  | 6E10                           |

### Assay

|                                 |  |
|---------------------------------|--|
| Sample Type                     |  |
| Antibody Dilution/Concentration | Not stated                                     |
| Detection Mode                  | Not mentioned                                  |
| Separation Type                 | Size   |
| Matrix                          | 12-230kDa                                      |
| Observed kDa                    | 180kDa, 60kDa                                  |
| Publications [1 total]          | [1] J Neurosci Methods. 2021 Jan 1;347:108980. |
